MEDIA RELEASE
16 February 2007

Southern Cross Broadcasting has engaged K Capital, of which David Kingston is principal, as a specialist consultant to complement existing external advisory arrangements in respect to the company's future. With a changing media landscape, the company will be advantaged by Mr Kingston's broad experience as an advisor in the media sector and his knowledge of the company. Mr Kingston has taken "leave of absence" from the board to avoid potential conflicts with K Capital's advisory role.
